Featured Topics:

- **“A day in the life of our Palisades outreach team and beyond”**

John Maceri, Executive Director of The People Concern (formerly OPCC) will take us, step-by-step, through the journey of our Palisades homeless people as they engage with our outreach team and move from life on the street to a life made possible by The People Concern-PPTFH partnership.

- What lies ahead for our Palisades homeless people?
- What are the services we hear so much about?
- Is sufficient housing available?
- Will Propositions H and HHH help address homelessness in the Palisades?

John will answer these questions and more, as well as Outreach Team members Maureen Rivas and Glanda Sherman who will be available to share their first-hand experiences.

- **Community Forum: Panhandling Part II**

At our April 3, 2017 community meeting, attendees discussed their concerns, worries, the pros and cons of panhandling and offered conclusions. Join in this follow up community discussion about draft guidelines for helping our community decide if and how to engage with panhandlers.

Attendance at PPTFH community meetings is encouraged and needed. It is a way to be involved, provide support to the growing PPTFH community-wide program and help address homelessness in the Palisades. Come and participate!
